<https://forum.kerbalspaceprogram.com/index.php?/topic/90061-11x122-malahs-stock-configs-20170114/>

Thanks 🤖

The first one is now unlocked, but the second was never locked in the first place.

i have permission from the OP, HansonKerman.

We'd need to hear from HansonKerman in order to lock his thread. With only a few exceptions, users may only lock their own threads.
